Dear Competitor,

I enclose for your information and attention the official results and times of the above race. If on examination of the results you cannot find your name, number or time, please do not contact this office, as the production of the results has proved to be a difficult and onerous task. The reason for this is that the recording staff were severely hampered in their duties by finishing runners not reporting, runners reporting twice and spectators encroaching into the finishing area. Measures will be taken next year to prevent similar happenings. Some runners complained about the positions of the mile markers and after examination, it would appear that a number were out of position - again, this matter will be definitely rectified for next year.

On a brighter note, congratulations go to Stan Markley for repeating last year's victory as did Jarrow and Hebburn A.C. in the team event. (N.B. apologies to Middlesbrough & Cleveland Harriers who did, in fact, finish second not third). Brenda Yule (Mandale A.C.) led the ladies field, while John Williams (Mandale A.C.), Harry Gamble-Thompson (Middlesbrough & Cleveland Harriers) and James Johnston (Chester-le-Street A.C.) took the veterans categories.

Congratulations to all finishers and make a note in your diary that next year's event will be held on Sunday 12th October.

Yours faithfully,

A.D. DODDS
Chief Recreation & Amenities Officer
