

*17th ICI Redcar Half Marathon*  
*Sunday 28th February 1999*

Many thanks for supporting the 1999 ICI Redcar Half Marathon.

These results are sent to every person who entered the event whether they ran or not.

If you did run I hope the attached results prove of interest to you and provide a record of your performance.

Despite the very windy weather the event was a great success with 673 runners completing the race.

We're always eager to know what you think of the event, so if you have any comments - ranging from the route of the race to the quality of the T-shirts - please let us know by contacting:-
